WHO IS ELIGIBLE?

As an Eagle Valley Transportation Authority employee, you are eligible for medical & retirement benefits if you are a full-time employee, full-time seasonal employee who works over 6 months and part-time employees who work over 20 hours. Benefits are effective on the first day of the month following your date of hire. You may enroll your eligible dependents for coverage once you are eligible. Your eligible dependents include:

- Your Legal Spouse
- Civil Union Partner
- Your children up to age 26

CHANGING YOUR BENEFITS

New Employees

As a new employee, you must enroll in benefits within 30 days of your date of hire. If you do not enroll within 30 days, you will need to wait until the next open enrollment period to enroll.

Qualifying Events and Dropping Dependents: Generally, you may only make or change your existing benefit elections as a new hire or during the annual open enrollment period. However, you may drop a dependent at any time and they will be covered through the end of the month, or you can change your benefit elections during the year if you experience one of the following qualifying life events.

1. Change in marital status

- Marriage
- Death of spouse
- Divorce
- Legal separation

2. Change in number of dependents

- Marriage
- Birth
- Death
- Adoption of child or placement of a child for adoption

3. Change in coverage status

- Loss or gain of other coverage by the employee or dependent

4. Change in individual coverage status due to aging out

- In the event that an employee loses eligibility on their parent's plan, due to aging out (26)

You have **30 days from the qualified life event** to make changes to your coverage. Depending on the type of event, you may need to provide proof of the event (ie. marriage license, birth certificate etc.). You do not need to provide documentation if your only change is to drop a dependent(s) off your current plan, but documentation will always be required if adding dependents outside of open enrollment.

WHAT IS CEBT?

The Colorado Employer Benefit Trust (CEBT) is a self-funded, governmental multiple employer trust that provides employee benefits for over four hundred and fifty (450) public entities, with over 37,000 employees and dependents covered in the state of Colorado. The CEBT plan offers health, dental, vision and life coverage to the participating groups.

WHO IS WTW?

Willis Towers Watson (WTW) is the broker / administrator for the CEBT. It provides customer service for plan participants to obtain answers on claims and benefits questions at (800) 332-1168 or (303) 773-1373. Willis Towers Watson has service representatives that make periodic visits to the participating groups to answer questions. In addition, the Trust administrator markets for prospective new members. Finally, Willis Towers Watson handles the eligibility and premium invoice process between the Trust and the participating employers.

WHAT ARE THE ROLES OF UMR, CVS CAREMARK, DELTA DENTAL & VISION SERVICE PLAN (VSP)?

CEBT has contracted with these managed health care companies to provide claims processing and provider network access:

UMR provides third party claim payment services and access to the United Healthcare provider networks for CEBT members who have medical coverage.

CVS Caremark provides the pharmacy payment and access to their provider network for CEBT members who have medical coverage using the United Healthcare provider network.

Delta Dental of Colorado provides third party dental claim payment services and access to their Dental PPO and Premier networks.

Vision Service Plan (VSP) provides the vision payment and access to their provider network for CEBT members who have vision coverage.

Much of your day to day correspondence, such as Explanations of Benefits (EOB) and requests for further information, will come from UMR. Additionally, you will receive ID cards from UMR or CVS Caremark and Delta Dental, but not from VSP. VSP does not utilize cards.

KEY BENEFIT TERMS

BENEFIT YEAR: The 12 months over which the benefits are paid and accumulated. The deductible and out of pocket maximums are accumulated over the Benefit Year and are reset to zero at the beginning of the next Benefit Year. For CEBT, the Benefit Year is January 1 – December 31.

DEDUCTIBLE: The amount you owe for health care services before your health insurance or plan begins to pay.

For example: John has a health plan with a \$1,500 annual deductible. He falls off his roof and needs three knee surgeries; the first of which is \$800. Because John hasn't paid anything toward his deductible this year, he is responsible for 100% of his first surgery. \$800 is applied to John's deductible.

COPAY: A fixed amount you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service. The copay does not apply towards meeting the deductible but does count towards the out of pocket maximum.

CO-INSURANCE: Your share of the costs of a covered health service, calculated as a percent (for example, 20%) of the allowed amount for the service. You pay co-insurance after you have met any deductible you owe.

For example: John's second surgery costs \$3,200. Because he's paid \$800 of his \$1,500 annual deductible, John is responsible for the first \$700 to meet his deductible. His plan will then cover 80% of the remaining cost, a total of \$2,000 ($\$2,500 \times 80\%$)

KEY BENEFIT TERMS

OUT OF POCKET MAXIMUM: The most you pay in a calendar year before your health plan begins to pay 100% of the allowed amount.

Items that count towards the out of pocket maximum:

- Copays
- Deductibles
- Co-insurance payments

Items that DO NOT count towards the out of pocket maximum:

- Your premium
- Balance-billed charges
- Charges your health insurance plan does not cover (i.e. plastic surgery and other excluded services)

Example: John's third surgery costs \$12,000; his plan has a \$4,000 OOPM. Because John already paid \$2,000 toward his OOPM for his first two surgeries, he only needs to spend \$2,000 before he hits his OOPM (\$4,000 - \$2,000). The plan pays the remaining \$10,000 (\$8,000 - \$2,000).

EOB-Explanation of Benefits: An explanation of benefits is a statement sent by a health insurance company to covered individuals explaining what medical treatments and/or services were paid for on their behalf.

FORMULARY: A list of prescription drugs covered by the health plan.

Employees of Eagle Valley Transportation Authority have the option to choose from two different medical plan options **PPO3** and **PPO4** offered through the Colorado Employer Benefit Trust (CEBT). Each plan includes comprehensive health care benefits, including free preventive care services and coverage for prescription drugs. These plans use the **United Healthcare Choice Plus** network. This is the network of doctors you will want to stay within in order to access your in network level of benefits.

Before you enroll in medical coverage, take some time to fully understand how each plan works.

BEFORE YOU CHOOSE A PLAN, CONSIDER THIS:

Do you prefer to pay more for medical out of your paycheck, but less when you need care?

What planned medical services do you expect to need in the upcoming year?

Do you or any of your covered family members take any prescription medications on a regular basis?

CEBT MEDICAL PLANS

The table below summarizes the benefits of each medical plan.

This comparison of coverage is intended only as a general description for the principle in network features of the benefit plans. If there are questions about a particular benefit or the coverage tier, please refer to the full plan document that is posted on the www.cebt.org website for specific coverage details.

*Charges are subject to Usual & Customary (U&C). These charges are considered in excess of the Reasonable Reimbursement, the Recognized Amount, the Usual and Customary charge, the Negotiated Rate, or the fee schedule.

Exclusions under this category do not apply to payments that may be required under the No Surprises Act.

Preventative Services - will be processed following the Federal Patient Protection and Affordable Care Act. For more information on these services go to <https://www.cebt.org/benefit-booklets>.

PPO Note: Combination of PPO and Non PPO out of pocket limit will never exceed the Non PPO out of pocket limit.

PPO Plan deductibles fall under the definition of an Embedded deductible where any single member of a family doesn't have to meet the full family deductible for the after-deductible benefits to kick in. Once they meet the individual deductible, plan benefits will start to pay.

CEBT HEALTH & WELLNESS CENTERS

PRESCRIPTION DRUG COVERAGE

The vendor that manages your prescriptions on the CEBT United Healthcare plans **PPO3** and **PPO4** is CVS Caremark. Please note that CVS is not the only pharmacy you have access to. You are able to use a pharmacy at King Soopers, Safeway, Walmart, Walgreens, etc. To review commonly prescribed medications and specialty medications or learn more about your pharmacy benefits visit the [CVS Caremark](#) page on the CEBT website.

If you would like to access CVS 90 day mail order for your maintenance medications (blood pressure, cholesterol, etc.), you will need to do so by calling them directly at 866-885-4944 or have your doctor send the prescription into the CVS mail order pharmacy. By using mail order you are able to get a 90 day supply for the cost of a 60 day supply. You can receive three months for the price of two!

Prescription Drugs (retail 30 day)	Prescription Drugs (mail order 90 day)
\$20 copay – Generic \$40 copay – Preferred Brand \$60 copay – Non- Preferred Brand/Specialty	\$40 copay – Generic \$80 copay – Preferred Brand \$120 copay – Non- Preferred Brand/Specialty

Here are six tips to help you save time and money on your medications:

- 1. Register at Caremark.com.** That way we can keep you up to date on new and unique ways to save.
- 2. Be sure any retail pharmacy you use is in your network.** Network pharmacies are included in your prescription plan to help keep costs low. If you fill out-of-network, you will have to pay 100% of the cost. Find a network pharmacy before you fill at **Caremark.com**.
- 3. Know which medications are covered.** Your plan's list of covered medications can help you and your doctor find the most cost-effective drug option. Find your plan's list of covered medications at **Caremark.com**.

4. Use the *Check Drug Cost* tool available at Caremark.com. You'll be able to do side-by-side comparison of your medications to see where you could be saving.

5. Ask your doctor if there is a generic option for your brand-name medication. Proven just as safe and effective as brand-name medications, generics may be an affordable option for your treatment.

6. Choose delivery by mail or pick up. We'll deliver your 90-day supplies anywhere you like, with no-cost shipping (and status alerts for tracking). Our discreet packages are tamper-proof, weather-proof and temperature controlled, so it's a safe option for you.

- OR -

Pick them up at any CVS Pharmacy (including those inside Target stores). Either way you get the same quality, price and convenience.

Find even more ways to save when you sign in at **Caremark.com**.

DENTAL COVERAGE

It's important to have regular dental exams and cleanings so problems are detected before they become painful – and expensive. Keeping your teeth and gums clean and healthy will help prevent most tooth decay and is an important part of maintaining your overall health. The CEBT dental plan uses the Delta Dental network. You can go to any dentist of your choosing with this plan, but it is in your best interest to find a Delta Dental provider. There are 3 different network levels you can access: **PPO Dentist**, **Premier Dentist**, and **Non-Participating Dentist**. You will receive the best benefit and the deepest discounts by choosing a PPO dentist. Delta Dental providers offer the greatest savings and protection from balance-billing for covered services. Please refer to the official [plan document](#) for additional information on coverage and exclusions. Locate a Delta Dental network dentist at <https://www.deltadental.com/us/en/member/find-a-dentist.html>.

DENTAL COVERAGE

Prevention First: Delta Dental of Colorado knows that regular visits to the dentist can improve your oral health and your overall health. And with our exclusive PREVENTION FIRST program, your diagnostic and preventive visits will not count against your annual maximum. This helps your benefits go further by extending your annual maximum dollars.

HOW PREVENTION FIRST HELPS YOU STRETCH YOUR BENEFIT DOLLARS:

Most of our dental plans cover preventive visits at 100%**, so you pay nothing out of pocket. But with **PREVENTION FIRST**, not only do you pay nothing, but you still have the money that Delta Dental pays available to you in your annual maximum. So in the example below, **it's like you have \$350 extra dollars a year to spend.**

	WITHOUT Prevention First	WITH Prevention First
Delta Dental Pays	\$350	\$350
You Pay	\$0	\$0
Annual Maximum Remaining	\$650	\$1,000

**Plan benefits and provider charges vary. The above sample assumes two routine check-ups with a PPO provider and \$1,000 annual maximum.

Right Start 4 Kids (RS4K): a plan design enhancement that removes most of the cost barriers to dental care by providing coverage for children up to their 13th birthday at 100% coinsurance for diagnostic & preventive, basic, and major services, with no deductible, when in-network providers are seen.* If an out-of-network provider is seen, the adult coinsurance levels will apply. Orthodontic services are available but are not eligible for the RS4K 100% coverage level.

VISION COVERAGE

The vision plan provides coverage for routine eye exams and pays for all or a portion of the cost of glasses or contact lenses. You can choose any provider; however, you always save money if you see in-network providers. CEBT offers vision benefits through VSP, which is the network of vision providers you can access. If you would like to find a provider, you are able to go to www.VSP.com. Right on the front page you can enter your zip code to pull up local providers. Please note that the benefit year is a rolling 12 months. The table below summarizes key features of the vision plan. Please refer to the official [plan document](#) for additional information on coverage and exclusions.

Even if you have perfect vision, an annual eye exam is important. Just by examining your eyes, a doctor can find warning signs of high blood pressure, diabetes, and more than 200 other major diseases.

You must purchase supplemental coverage for yourself in order to purchase coverage for your spouse and/or dependents. Supplemental life rates are age-banded for Supplemental Employee and Spouse life. - **Spouse:** \$5,000 increments up to \$250,000—guarantee issue: \$30,000
- **Dependent Children:** \$20,000

Coverage will not take effect until approved by The Standard. Participants that are currently enrolled in additional life coverage less than \$150,000 can increase their benefit every year by \$20,000 with no medical underwriting up to the Guarantee Issue amount. If you currently have spouse life insurance under \$30,000 you may elect to increase your spouse coverage each year by \$5,000 or \$10,000 but not to exceed \$30,000 or 50% of what you have in additional life insurance.

UMR CANCER RESOURCE SERVICES (CRS)

A program designed for personal support following a cancer diagnosis. Cancer Resource Services (CRS) will provide guidance, direction, and support through tenured oncology nurses as well as access to quality Cancer Centers of Excellence (COE).

Personal support following a complex cancer diagnosis

Effective treatment of advanced cancers can be complicated, involving multiple health care providers and procedures over an extended period of time.

Cancer Resource Services (CRS), provided through your benefits plan, can help coordinate all aspects of your care, so you can focus on your health and achieve the best outcome possible.

Participants in this program are assigned a personal case manager who will treat you as a person, not a condition. Our case managers are registered nurses with experience in cancer care and will serve as your advocate through the conclusion of your treatment.

This includes:

- Taking time to guide you through the complexities of cancer care and your treatment options
- Helping you manage your symptoms and common side effects from chemotherapy and other medications
- Working directly with your benefits plan to determine whether certain procedures or clinical trials will be covered
- Providing assistance in accessing care through an Optum Cancer Centers of Excellence (COE) facility
- Making sure you and your family have the support network you need on your road to recovery

Connect with UMR CARE

If you plan to seek services from Roswell in New York or Huntsman in Utah, you must enroll with UMR CARE. If you are not accessing one of these facilities, we still encourage you to contact the UMR CARE team to help connect you with the appropriate care for your situation.

Please call the number on the back of your health plan ID card to reach UMR CARE.

Optum Cancer COEs deliver

Optum's national network of leading cancer centers offers:

- Expertise in rare and complex cancers
- Expanded treatment options
- Shorter stays and fewer complications
- Improved outcomes and financial savings

UMR MATERNITY CARE

Get the support you need when considering having a baby, or you are already expecting. UMR Maternity CARE can explain how to reduce your risk of complications and prepare you to have a successful, full-term pregnancy and a healthy baby.

Is your family growing?

Get the support you deserve

Whether you are considering having a baby or are already expecting, UMR Maternity CARE can explain how to reduce your risk of complications and prepare you to have a successful, full-term pregnancy and a healthy baby.

How we can help

Healthier women are more likely to have healthy babies. If you're thinking about starting a family, our experienced OB/GYN nurses will help you understand your personal health risks and empower you to take action before you become pregnant. When the time arrives, our registered nurses will support you with timely prenatal education and follow-up calls, and will refer you to case management if a serious condition arises. Your CARE nurse will call you each trimester during your pregnancy and once after your baby is born.

If you are pregnant and are identified as high-risk, a CARE nurse will monitor your condition and work to reduce your claims costs throughout your pregnancy and the post-delivery period.

You can self-enroll in Maternity CARE or pre-pregnancy coaching, or you'll be contacted and invited to participate if you're identified as pregnant through a clinical health risk assessment, utilization review or other program referrals.

It pays to participate

You'll receive an incentive gift* as a thank you for participating in the program, sent to you after your delivery.

* To be eligible for the free incentive gift you must enroll during your first or second trimester and continue to actively participate in the program each trimester of your pregnancy.

A UnitedHealthcare Company

UMR MATERNITY CARE

Once enrolled, you'll receive ...

One-on-one phone calls with a nurse who:

- Provides comprehensive pre-pregnancy and prenatal assessments
- Shares educational information before you become pregnant and throughout your pregnancy
- Encourages you to call with any questions or concerns and continues to reach out each trimester and again after your delivery to see how you and your baby are doing
- Sends a courtesy letter informing your physician that you're in the program

Guidance for your support person:

You may also choose to identify a support person who can receive an education call and electronic educational packet. The packet includes information to help them support you through your pregnancy, labor and delivery, and postpartum.

No-cost educational materials in the mail:

You can choose from a selection of high-quality books and other materials containing helpful information about pregnancy, pre-term labor, childbirth, breast-feeding and infant care.

CARE ON THE GO:

The CARE app, powered by Vivify Health, allows us to meet members where they are by connecting them to CARE nurses through their mobile device. Our nurses can view individual health metrics from self-reported data or synchronized monitoring devices and are able to virtually connect with members by text, email or face-to-face via streaming video. It's free and confidential.

No cost:

Maternity CARE is a valuable benefit provided by your employer at no additional cost to you.

Confidential:
