

# Printed Tickets Are Here!

Starting Monday, riders will have the option to purchase **Printed Tickets** (Single Rides or Day Passes only) at the VTC booth or MSC.

## Here's what you need to know:

### BARCODE:

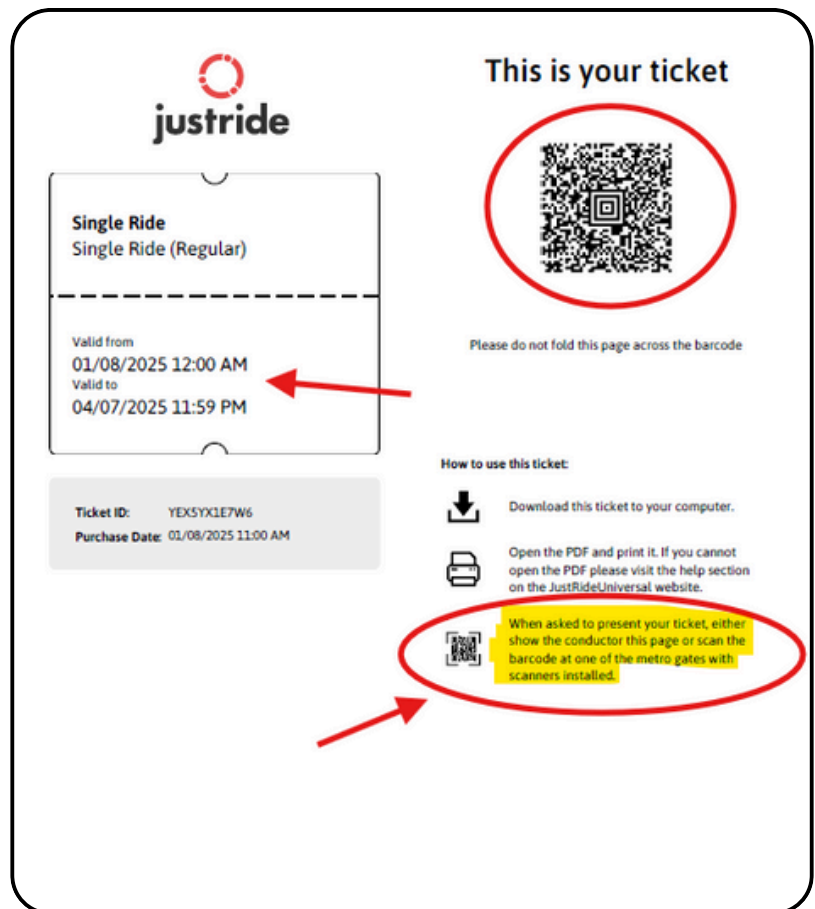

All Printed Tickets will have a Barcode that the rider will scan on the JRV scanners on our buses.

### WHAT IF THE TICKET DOESN'T SCAN?

If the barcode doesn't scan but the ticket has a valid date, collect it and dispose of it when possible.

### Stay Safe:

Avoid handling items from passengers when possible. Handling tickets should only happen when necessary.

**We'll have sample tickets at dispatch at MSC and  
Swift Gulch break room for reference.  
Supervisors and dispatchers are ready to assist  
with questions!**

# Reminder:

Riders can now board using Printed Tickets, Smart Cards, or the Mobile App. All passes should be scanned on the JRV scanners.

## **Printed Tickets:**

Barcode on the ticket scans  
on the JRV

## **Smart Cards:**

Tap on the JRV card reader  
section

## **Mobile App:**

Scan QR code on the  
screen

**Here's where riders should scan each item:**

**Printed Tickets &  
QR Code from the  
Phones  
(Mobile Fares App)**

**Smart Cards**
